

Hello FEC!

The 3rd qtr report for Friends of John LaFalce - FEC indentification number C00025379 - was filed on October 17, 2006, due to the fact that we were under a state of emergency and had no electric power available due to blizzard in Western New York. Power was just restored late today and report was electronically filed. We were without power since 9:45 PM Thursday, October 12, 2006.
